

REMARKS

The Amendment is submitted simultaneously with filing of the above identified application.

With the present amendment applicants have amended the specification to bring it in compliance with the requirements of the U.S. Patent Practice.

Original claims 1 and 12 have been amended to more clearly define the present invention.

Consideration and allowance of present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Any costs involved should be charged to the deposit account of the undersigned (No. 19-4675). Alternatively, should the Examiner feel that a
